NOTE: The Gold and Bronze Game Teams would be as above.

If the teams had played in the Round Robin they would still play each other in the

Medal Games

Playoff #3 to Play #6 as follows

Playoff #3: If USA#3 had played PWHL#3 in the Round Robin and not

PWHL#4 (they would play PWHL#4) in their 5th game.

We can follow this down so Games #3 to Game #6 the teams would not play a team

they played in the Round Robin if at all possible (each team would of played 5

different teams during the Tournament)
